

## STUDENT INJURY AND SICKNESS PLAN 2011-2012 SCHOOL YEAR

Dear Parents:

Out of concern for the health and welfare of our students and their parents, Trinity-Pawling School requires every enrolled student to be covered by a comprehensive injury and sickness plan, one that meets the high cost of medical services and is accepted by local providers and practitioners. While most USA families are insured under managed care programs (HMO'S, PPO'S etc.) such "network plans" often create severe cumbersome administrative problems and procedures. In many cases, these plans do not provide coverage for your child when away from home, and if they do, you are faced with up-front deductibles and co-payments not required when your child is home. It is your responsibility to contact your insurance company to discuss what benefits will be lost and what deductibles and co-payments will be required when your child leaves home.

\* Please note that our health center will not accept medical insurance policies issued in a foreign country or from a company outside the United States.

To help you meet this responsibility, we offer a choice of two plans, one of which should meet your needs.

**PREMIER HEALTH PLAN I (PRIMARY COVERAGE)** Provides primary, first dollar benefits for those of you who do not have any insurance or whose coverage is not accepted outside your geographical area. This plan will cover students anywhere in the world for an annual premium of \$1,640 (8/15/11-8/15/12) or a ten-month period for \$1,490 (8/15/11-6/15/12). These plans were designed especially for private secondary schools and meet the mandated requirements of New York State law.

Any USA students and International students who do not have coverage with a USA based insurance company (as a dependent on their parent's plan) must enroll in plan one.

**PREMIER HEALTH PLAN II (SUPPLEMENTAL COVERAGE)** For families who have insurance accepted by providers in our area, Plan II offers additional coverage. Your son will be covered in the US for annual premium of only \$660 (8/15/11-8/15/12) or for a ten-month premium of only \$550 (8/15/11-6/15/12).

The basic provisions and exclusions of both plans are outlined in the summary attached. Certificates with further details will be issued to every participant along with a personal identification card.
