

## **CHECKLIST FOR MEDICAL FORMS**

**The health forms must be completed and received by the Health Center by August 1st. Failure to do so will result in your son's inability to participate in sports.**

- Health form completely filled out and signed by your physician. Students coming for early sports must have physical forms submitted prior to arrival at school. Returning students – please ensure Interval Health History Section has been completed. (New & returning students)
- “Permission for Medical Surgical Treatment,” “Consent and Release from Liability,” and “Sports Authorization” signed. (All students)
- Immunizations completely filled out and signed by your physician. (New students only)
- Meningococcal Vaccine form completed. (New students only)
- Insurance information completed. All students must have adequate comprehensive medical insurance that can be used in the Pawling area. Please call your insurance company to let them know that your son will be residing in Pawling, NY. (All students)
- Copy of insurance card (front and back) enclosed. (Any office visit co-pay will be charged to student T-P card account). (All students)
- Copy of pharmacy card enclosed. (Any pharmacy co-pay will be charged to student T-P card account). (All students)
- Medication authorization forms filled out for each medication your son is taking. This form must be signed by your physician. (Students who take medication)
- Medication sent to school at least one week prior to arriving on campus. No medication will be allowed in dorm rooms. (Students who take medication)
- Flu Shot Form is completed. (All students)
- Criteria for Tuberculosis Skin Testing (New students only)

<b>Keep a copy of all forms for your records</b>
