

*****BROADWAY THEATER TRIPS*****

Dear Parents:

One of the distinctive opportunities offered by Trinity-Pawling is the ability to take advantage of our proximity to the cultural attractions of New York City. A popular activity offered by the school is the Theater Subscription Program. Students who subscribe to this program are given the opportunity to travel to New York City to see five Broadway productions.

This past year, subscribers to the program were able to see the following productions:

American Idiot
Bloody, Bloody Andrew Jackson
Spiderman Turn Off The Dark
Lombardi
How to Succeed in Business Without Really Trying

This has been a tremendously popular program with the students, and the trips are eagerly awaited. As one student commented at the end of the year, "The most unexpected highlight of the year had to be the theater trips." Indeed, it is quite an opportunity and one which the students value!

Note: This is NOT mandatory. Please make sure your son is interested in this program before signing up.

The subscription cost for this program is \$550. This cost includes an orchestra or front mezzanine seat plus transportation by coach bus. These trips occur twice during the fall, twice in the winter, and once in the spring. All trips are chaperoned by members of the faculty.

If you are interested in being a subscriber to the Theater Program, please complete the form below and return it to the address indicated with a check for \$550 made payable to Trinity-Pawling School. Should you have further questions, please contact Mr. Coratti, Associate Headmaster.
